JAZZAFFAIR The Destination Festival

The town of Three Rivers is located in the foothills of the Sierra Nevada and is the gateway to Sequoia National Park. Well known as a warm and friendly community, there are several eateries with stunning views along the riverfront, 2 coffee shops, a local brewery, a popular candy store, art studios and shops, a historical museum and more.....

Picturesque Lake Kaweah is close by with house boat rentals, ski boats, paddle boarding, fishing and all things 'water'. In town are several hotels and plenty of bnb's. It's a charming getaway one need's to experience!
